ACTIVITIES

Francophone University Agency (FUA) (Agence Universitaire de la Francophonie) awards "Center for Academic Achievements" title to those scientific educational centers of FUA's member universities that meet the FUA's requirements.

The center supports the francophone students, as well as francophone young researchers and scientists contributing to their scientific progress and recognition. By FUA's funds the FUA provide accessibility to modern scientific information, contribute to further development of interuniversity cooperation and organize French language courses /FLE/ for students, lecturers and administrative staff of the university providing with classroom and online literature.

CHARTER OF NUACA CENTER FOR ACADEMIC ACHIEVEMENTS

"Center for Academic Achievements" title of Association of Francophone Universities (AFU) is given to the educational and methodical area equipped with necessary facilities of AFU's full and associate member universities that comply with the principles of the present Charter.

The center provides special services for educational and methodical areas of higher educational institutions that correspond to the technical solutions ensuring the strategic goals of the University.

"Center for Academic Achievements" title is awarded to the Center by AFU since the beginning of the project (2013) until the end of the project (2017) when the beneficiary University will have the opportunity to make the Center its property.

Center for Academic Achievements is committed to:

Admit each teacher, research fellow or student with no racial, gender, religion, language discrimination;

Always keep the Center adequately furnished, technically equipped and connected to the Internet with the efforts of researcher-lecturer of the University and special maintenance staff;

Ensure a minimum number of jobs listed in the Annex of the Contract;
Strictly respect the copyrights in accordance with national and international standards;
Provide a special place for videoconferencing and prepare a schedule, working program;
Offer the following services: Internet access, online and classroom trainings, to provide access to scientific and technical information with AFU provided funds;
Organize the work of university sector users by French-speaking leader in accordance with the internal charter of the Center;
Control each activity: contribute to scientific advancement of users, proper use of resources ensuring the transparency of their activities;
Participate in events and projects organized by AFU Central and Eastern Europe Department;
Regularly inform local beneficiaries about the AFU's activities;
Provide secure access to the Internet ensuring the privacy of personal data;
Post the present Charter at the entrance of the Center ensuring its accessibility.

Approved in Yerevan, 31 October 2013

EDUCATIONAL PROGRAMS

NUACA Center for Academic Achievements

The Center gives an opportunity for Francophone students of the University to take part in educational programs proposed by AFU Central and Eastern Europe Department (graduate and postgraduate education). The proposed programs can be found through the following links: <http://www.auf.org/bureau-europe-centrale-et-orientale/appels-offre-regionales/appel-candidatures-master-didactique-du-francais-e/>, <http://www.auf.org/appels-offre/concours-dadmission-a-linstitut-de-la-francophonie/>, http://www.auf.org/media/adminfiles/EI_2013-2014_FR_r%C3%A8glement_final_1.pdf, <http://www.auf.org/appels-offre/mobilites-de-stage-professionnel/>.
