

Call for applicants2021/22 Erasmus + KA-107

The University of ACoruña (UDC) and National University of Architecture and Constructionhave been awarded with some Erasmus+ scholarships for student and staff mobilities under the framework of the Key Action 107 for mobilities between PROGRAMME and PARTNER COUNTRIES.

This call for applications is aimed at helping students/staffat National University of Architecture and Constructionto cover their expenses during their academic stay at Universidade da Coruña of the academic year 2021_22 (September 2021-June 2022).

1. Selection process

Each partner university must conduct an internal selection process among the interested students and staff and send UDC the list of nominations to <u>iro@udc.es</u> **before 30**th **May 2021** for the first semester of the academic year 2021/22 (September 2021-January 2022), including full name, e-mail address and field of study/teaching, or **before 30**th **October 2021** for the second semester 2021/22 (January – June 2022)

2. UDC Academic offer

UDC offers some courses in English. For more information: <u>http://www.udc.gal/ori/internacionalizacion/programmesinenglish/content/facultades/index.html?language=en</u> Students are also welcome to choose Spanish courses but we recommend to have at least a B1 level of Spanish

language to follow the classes. For more information: <u>http://estudos.udc.es/es/degrees</u>

3. Acceptance/Enrolment Process

After receiving the list of nominated students and staff, we will contact the candidates via e-mail to send them instructions about the application procedure.

Candidates do not have to send any original documents, all the application process will be via our UDC portal (we will only accept applications online, we do not need original documents or documents sent via e-mail).

Applicants should take into consideration that only one online application form will be accepted, so they can contact our office if they have any doubts regarding the information requested in the online application form, before clicking on the "submit" final button. At any time, the applicant can save parts of the information entered in the application form and submit the online application only when they are sure that all of the information given is correct.

Upon the reception of these online applications and after checking they fulfil the requirements, candidates will receive an acceptance letter confirming their acceptance so that they can start visa procedures.

4. Number of granted mobilities

Staff mobilities

• 1 training or teaching mobility (if teaching mobility for the field of study of Architecture and Construction - 5 days maximum each)

5. Insurance

All applicants, both staff and students, have to hire a Health insurance coverage valid for Spain for the whole period of the stay.

According to internal rules applying to all students registered at UDC, all incoming exchange students will pay an Accident insurance fee, upon arrival at UDC, in order to be formally registered. This accident insurance will cover possible accidents during academic activities at UDC.

6. Financial Conditions

Student mobility: the participant shall receive 850 Euros/month corresponding to individual support and 820

Euros corresponding to travel.

Staff mobility (both teaching and training mobilities): the participant shall receive 160 Euros/day of teaching/training corresponding to individual support and 820 Euros corresponding to travel.

All candidates will have to sign a grant agreement before starting their mobility. UDC will send them this document via e-mail to be signed before travelling. The document has to be sent back after being signed by the grantee.

Payment

- Students: Upon their arrival at the University of A Coruña, students will receive a cheque representing the 70% of the total financial support from Erasmus+ EU funds. At the end of the mobility, students will receive a cheque representing the 30% of the total financial support from Erasmus+ EU funds.

Applicants will receive payment upon their arrival, not before. So, they will have to book their tickets to travel to Spain, as well as to book accommodation in advance.

7. EU Final Survey

Staff will receive an e-mail with information to complete and submit the online EU final report at the end of their mobility period. This must be completed within 30 calendar days upon receipt of the invitation.

Students will receive an e-mail before the end of the stay with information to complete and submit the online EU final report. The participant will have to complete and submit the online EU survey before leaving the University of A Coruña to receive the second cheque representing the final payment.

Participants who fail to complete and submit the online EU final report may be required to partially or fully reimburse the financial support received.

This final report on your mobility experience will provide the EU's Erasmus programme with valuable information which will benefit both future students and staff and contribute to the continued improvement of the programme. Hence, we thank you for your co-operation in filling out the questionnaire.
