

Letter of Appreciation

November 22, 2021

Dear National University of Architecture and Construction of Armenia:

With the support of member universities, the Panel Session on Resilient City and Smart Development Under the 5th China-CEEC Capital Mayors Forum & the 5th BRAUIC Conference (Online) has been held online successfully on November 19, 2021. The panel session themed “Resilient City and Smart Development” has invited 5 experts from 5 countries as keynote speakers, attracting over 200 delegates from 39 universities/institutions and 15 countries, and pooling wisdom and sharing experience to improve city management and promote green and resilient urban development.

At the conference, the *BRAUIC Development Declaration*, the *BRAUIC Five-year Action Plan (2021-2025)* and a regional chair in Central and Eastern Europe were officially announced. In the future, the BRAUIC will continue to promote the mutual recognition of credits, academic qualifications and degrees among its members, promote the establishment of joint laboratories and research centers, and plan to build the Belt and Road Architectural and Cultural Heritage List and Database.

Your efforts and presence have helped to make this conference a great success. On this occasion, I would like to express my sincere gratitude for your strong support and cooperation. In the meantime, I would like to extend my heartfelt thanks to all the hard-working colleagues who have devoted themselves in preparatory work.

Prof. JIANG Jie (蒋捷)
Secretary-General of the BRAUIC
Executive Dean, International Development Research Institute of BUCEA
