

Session of the Scientific Council- 27.08.2020

1. About the preparatory work for the 2020-2021 academic year.
2. On awarding some of the honored employees of the University, on recommending them for being awarded the honorary title of Distinguished Construction Worker of the Republic of Armenia.
3. Current issues.

Brief information on the decisions regarding the agenda issues:

1. In the conditions of the pandemic, the educational process at the University will be organized in a hybrid format from September 1, 2020. For the current semester, the Chairs must have the revised electronic versions of the courses to organize the online classes. The responsibility of each person (student or employee) and the unconditional compliance with the established procedure for organizing the educational process at the University was highlighted.
2. On the occasion of their anniversaries the following employees were awarded: Vice-Rector for Academic Affairs of the University, Doctor of Technical Sciences, Professor, Honorary Worker of Science and Technology A.M. Barkhudaryan was given a monetary award in the amount of two months' salary for his long-term scientific-pedagogical activity, conscientious and effective administrative activity, as well as on the occasion of his 80th birthday. Head of the Chair of Design, Professor, Chairman of the Union of Designers of Armenia A.M. Baghdasaryan was awarded the Gold Medal of the University for his contribution to the field of decorative-applied arts, upbringing of the creative generation, his contribution to the graduation of design specialists, as well as on the occasion of his 75th birthday.
