

№22 26.11. 2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2024-2025 autumn term examination period and I and II retake periods of the II year of full-time graduate studies of the “Architecture” academic programme of the “Architecture” specialty (speakers: Deans of Faculties).
3. On the work carried out at High School after M. Abeghyan in September and October, 2024 (speaker: A. Arzumanyan).
4. On the current state of tuition fee payment (speakers: Deans of Faculties).
5. Current issues.

№21 05.11. 2024

1. On the implementation of the instructions of the previous Rectorate session.
2. On the analysis of the results of the discussion of the current state of the implementation of laboratory works, course papers, as well as course projects at the chair meetings from October 21 to 25, 2024, based on the Decision №17 of the Rectorate Session dated 24.09.2024 (speaker: A. Martirosyan).
3. On the current state of students’ attendance in classes (speakers: Deans of Faculties).
4. On the work of the Student Council in September and October, 2024 (speaker: S. Hakobyan).
5. On the progress of winter preparations (speaker: P. Karapetyan).
6. Current issues.

№20 29.10. 2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2024-2025 autumn term examination period and I and II retake periods of the II year of full-time graduate studies in the “Hydraulic and Hydropower Structures” and “Heat and Gas Supply and Ventilation” academic programmes of the “Civil Engineering” specialty, “Geoinformation Systems” academic programme of the “Geomatics” specialty, “Informatics (Computer Science)” academic programme of the “Informatics (Computer Science)” specialty and “Project Management” academic programme of the “Management” specialty (speakers: Deans of Faculties).
3. Current issues.

№19 29.10.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2024-2025 first term of the graduate studies in the “Hydrotechnical and Hydropower Structures” and “Heat and Gas Supply and

Ventilation” academic programme of the “Civil Engineering” specialty, “Geoinformation Systems” academic programme of the “Geomatics” Specialty, “Informatics (Computer Science)” academic programme of “Informatics (Computer Science)” specialty, in the II years of the full-time academic programme “Project Management” of the “Management” specialty (speakers: Deans of Faculties).

1. Current issues.

№18 08.10.2024

1. On the implementation of the instructions of the previous Rectorate session.
1. On the results of the 2024-2025 summer transfer (rotation) competition (speaker: Deans of Faculties).
3. Current issues.

№17 24.09.2024

1. According to the Decision of the Rectorate dated July 9, 2024 (Record №15) on the results of additional internships organized from September 2 to 13, 2024 (speakers: Deans of Faculties).
2. On setting dates for discussions on the current state of students’ attendance to the chair meetings, implementation of laboratory, computational and graphical projects, course papers and course projects (speaker: A. Martirosyan).
3. On the current state of scientific activities in the University (speaker: Head of the Science Department, Acting Vice-Rector for Scientific Affairs).
4. On the current state of international cooperation of the University (speaker: Vice-Rector for International Relations).
5. Current issues.

№16 11.09.2024

1. Summary of the results of the 2023-2024 II term II retake period of I-III years of full-time undergraduate, and I year of full-time graduate studies (speakers: Deans of Faculties).
2. Summary of the results of the 2022-2023 II term II retake period of I-IV years of part-time undergraduate studies, and I year of part-time graduate studies (speakers: Deans of Faculties).
3. Summary of full-time undergraduate and graduate admissions results for the 2024-2025 academic year (speaker: Head of Admission and Career Department).
4. Current issues.

№15 09.07.2024

1. On the implementation of the instructions of the previous Rectorate session.
1. Summary of the results of the 2023-2024 examination period of II term in the first year of the graduate studies of the “Project Management” joint academic programme of the “Management” specialty of the Faculty of Management and Technology (speaker: Dean of the Faculty of Management and Technology).
2. Summary of the results of the 2023-2024 II term I retake period of I-III years of full-time undergraduate studies (speakers: Deans of Faculties).
3. Summary of the results of the 2023-2024 II term I retake period of I-IV years of part-time undergraduate studies (speakers: Deans of Faculties).
4. Summary of the results of the 2023-2024 II term I retake period of I year of full-time graduate studies (except for “Project Management” joint academic programme of the “Management” specialty) (speakers: Deans of Faculties).
5. Summary of the results of the 2023-2024 II term I retake period of I year of part-time graduate studies of the Faculty of Construction (speaker: Dean of the Faculty of Construction).
6. Summary of the results of transfer of subject differences and academic debts of students who were forcibly displaced from Nagorno Karabakh and admitted to the University by relocation in the additional period extended by the Decision of the Rectorate dated July 5, 2024 (Record №12), until June 28, 2024 (speakers: Deans of Faculties).
8. Discussion of the applications of University students to consider the absence from examinations, tests and internships of the spring term of the 2023-2024 academic year as respectable, as well as to pass exams and tests and to participate in additional internships (speakers: Deans of Faculties).
1. About students who did not participate in internships of the 2023-2024 academic year (speakers: Deans of Faculties).
2. Current issues.

№14 25.06.2024

1. Summary of the results of the 2023-2024 spring term examination period of the I-III years of full-time undergraduate studies (speakers: Deans of Faculties).
2. Summary of the results of the 2023-2024 spring term examination period of the I-IV years of part-time undergraduate studies (speakers: Deans of Faculties).
3. Summary of the results of the 2023-2024 spring term examination period of the I year of the part-time graduate studies of the Faculty of Construction (speaker: Dean of the Faculty of Construction).
4. Current issues.

№13 18.06.2024

1. On the implementation of the instructions of the previous Rectorate session.

2. Summary of the results of the 2023-2024 spring term examination period of the III year of the undergraduate studies of the Faculty of Architecture (speaker: Acting Dean of the Faculty of Architecture).
3. Summary of the results of Master's thesis defense of full-time graduate students of 2023-2024 academic year in the "Environmental Design" academic programme of the "Design" specialty (speaker: Dean of the Faculty of Design).
4. Current issues.

№12 05.06.2024

1. On the results of Master's thesis defense of full-time graduate students of 2023-2024 academic year in the "Environmental Design" academic programme of the "Design" specialty (speaker: Dean of the Faculty of Design).
2. Summary of the results of Master's thesis defense of full-time graduate students of 2023-2024 academic year in the "Architecture", "Environmental Design", "Industrial, Civil Construction and Structure Design" academic programmes and the "Project Management" joint academic programme of the "Management" specialty (speakers: Deans of Faculties).
3. Summary of the Master's thesis defense of part-time graduate students of 2023-2024 academic year in the "Engineering and Technical Expertise of Building Materials and Structures", "Hydrotechnical and Hydropower Structures", "Roads, Bridges and Tunnels" and "Heat and Gas Supply and Ventilation" academic programmes (speakers: Deans of Faculties).
4. Summary of the results of the graduation paper defense of students of full-time and part-time undergraduate studies of the 2023-2024 academic year (speakers: Deans of Faculties).
5. Summary of the test results of the 2023-2024 spring term examination period of the I-III years of full-time undergraduate studies (except for the III year of the Faculty of Architecture) (speakers: Deans of Faculties).
6. Summary of the results of transfer of subject differences and academic debts of students who were forcibly displaced from Nagorno Karabakh and admitted to the University by relocation in the additional period extended by the Decision of the Rectorate dated April 30, 2024 (Record №9), until May 31, 2024 (speakers: Deans of Faculties).
7. Current issues.

№11 21.05.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. On the analysis of the results of the discussion of the current state of student attendance, the implementation of laboratory, computational and graphical works, course papers, as well as course projects at the chair meetings from April 29 to May 3, 2024, based on the Decision №15 of the Rectorate Session dated 03.10.2023 (speakers: Deans of Faculties).
3. Summary of the results of the 2023-2024 second term examination periods of I years of full-time graduate studies in the "Hydrotechnical and Hydropower Structures" academic programme of "Civil Engineering" specialty of the Faculty of Construction, "Geoinformation Systems" academic programme of the "Geomatics" specialty, "Informatics (Computer Science)" academic programme of "Informatics (Computer

- Science)” specialty and “Project Management” academic programme of “Management” specialty of the Faculty of Management and Technology (speakers: Deans of Faculties).
4. Summary of the results of academic debt retake from April 29 to May 6, 2024 of students with up to 12 credits (speaker: Head of the Educational Department).
 5. On the current state of the University’s scientific activity (speaker: Head of the Science Department, Acting Vice-Rector for Scientific Affairs).
 6. On the current state of international relations of the University (speaker: Vice-Rector for International Relations).
 7. Current issues.

№10 07.05.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. On the results of the academic internship of full-time graduate students in the “Project Management” joint academic programme of the “Management” specialty (speaker: Dean of the Faculty of Management and Technology).
3. Summary of the results of 2023-2024 first term II retake periods of the 2023-2024 academic year of the I years of full-time graduate studies in the “Industrial, Civil Construction and Structure Design” and “Hydrotechnical and Hydropower Structures” academic programmes of “Civil Engineering” specialty of the Faculty of Construction (speakers: Deans of Faculties).
4. Summary of the results of the graduation paper pre-defense of students of full-time and part-time undergraduate studies and the Master’s thesis pre-defense of students of full-time and part-time graduate studies of the 2023-2024 academic year (speakers: Deans of Faculties).
5. Discussion of the applications of University students to consider the absence from exams and tests of the I semester of the 2023-2024 academic year valid and to take exams and tests outside of the scheduled period (speakers: Deans of Faculties).
6. On the current state of graduate students’ tuition debt (speakers: Deans of Faculties).
7. Current issues.

№9 30.04.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the examination period and the I, II retake periods of the II semester of the 2023-2024 academic year of the I year full-time graduate studies of the “Environmental Design” academic programme of the “Design” specialty (speaker: Dean of the Faculty of Design).
3. Discussion of the applications of University students to consider the absence from exams and tests of the I semester of the 2023-2024 academic year valid and to take exams and tests outside of the scheduled period (speakers: Deans of Faculties).
4. On the current state of taking the subject differences and academic debts of students who were forcibly displaced from Nagorno Karabakh and were admitted to the University (speaker: Head of the Educational Department).
5. On the current state of the University’s scientific activity (speaker: Head of the Science Department, Acting Vice-Rector for Scientific Affairs).
6. On the current state of international relations of the University (speaker: Vice-Rector for International Relations).

7. Current issues.

№8 09.04.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2023-2024 second term examination period and the I, II retake periods in the I, II years of “Project Management” joint graduate academic programme of the “Management” specialty (speaker: Dean of the Faculty of Management and Technology).
3. On the results of the pre-diploma internship of the students of IV year full-time undergraduate studies (speakers: Deans of Faculties).
4. On the analysis of the results of the discussion of the current state of student attendance, the implementation of laboratory, computational and graphical works, course papers, as well as course projects at the chair meetings from March 25 to 29, 2024, based on the Decision №15 of the Rectorate Session dated 03.10.2023 (speakers: Deans of Faculties).
5. On the results of the attestation of the graduation works of the students of full-time and part-time undergraduate studies of the 2023-2024 academic year (speakers: Deans of Faculties).
6. Current issues.

№7 26.03.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2023-2024 second term examination period and the I, II retake periods of the II semester of the 2023-2024 academic year of the IV year full-time undergraduate studies (speakers: Deans of the Faculties).
3. On the results of the pre-diploma internship of the students of V year part-time undergraduate studies (speakers: Deans of Faculties).
4. Current issues.

№6 05.03.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2023-2024 second term II retake periods in the I, II years of “Project Management” joint graduate academic programme of the “Management” specialty (speaker: Dean of the Faculty of Management and Technology).
3. Summary of the results of the 2023-2024 second term examination period in the IV year full-time undergraduate studies (except for the Faculty of Architecture) (speakers: Deans of the Faculties).
4. Current issues.

№5 28.02.2024

1. On the implementation of the instructions of the previous Rectorate session.

2. Summary of the results of the 2023-2024 first term examination period and the I, II retake periods in the I, II years of “Project Management” joint graduate academic programme of the “Management” specialty (speaker: Dean of the Faculty of Management and Technology).
3. Summary of the results of the 2023-2024 first term examination period of the I-III years of full-time undergraduate studies (speakers: Deans of the Faculties).
4. Summary of the results of the 2023-2024 first term II examination period of full-time graduate studies of the “Architecture” academic programme of “Architecture” specialty of the first year students, the “Environmental Design” academic programme of “Design” specialty of the first and second year students, the “Industrial, Civil Construction and Structure Design” academic programme of the “Civil Engineering” specialty of the first and second year students, “Hydrotechnical and Hydropower Structures” academic programme of the first year students, “Heat and Gas Supply and Ventilation” academic programme of the first year students, “Geoinformation Systems” academic programme of the “Geomatics” specialty of the first year students, “Informatics (Computer Science)” academic programme of “Informatics (Computer Science)” specialty of the first year students and “Project Management” academic programme of “Management” specialty of the first year students (speakers: Deans of Faculties).
5. Summary of the results of the 2023-2024 first term II retake period in the I, II years of part-time undergraduate studies (except for the Faculty of Architecture) (speakers: Deans of the Faculties).
6. Current issues.

№4 13.02.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2023-2024 first term I examination period and I retake period of full-time graduate studies of the “Architecture” academic programme of “Architecture” specialty of the first year students, the “Environmental Design” academic programme of “Design” specialty of the first and second year students, the “Industrial, Civil Construction and Structure Design” academic programme of the “Civil Engineering” specialty of the first and second year students, “Hydrotechnical and Hydropower Structures” academic programme of the first year students, “Heat and Gas Supply and Ventilation” academic programme of the first year students, “Geoinformation Systems” academic programme of the “Geomatics” specialty of the first year students, “Informatics (Computer Science)” academic programme of “Informatics (Computer Science)” specialty of the first year students and “Project Management” academic programme of “Management” specialty of the first year students (speakers: Deans of Faculties).
3. Summary of the results of the 2023-2024 first term examination period in the I, II years of “Project Management” joint full-time graduate academic programme of the “Management” specialty (speaker: Dean of the Faculty of Management and Technology).
4. Summary of the results of the I retake period of the I semester of the 2023-2024 academic year of the I-III years of full-time undergraduate studies and the I year full-time graduate studies of the “Environmental Design” academic programme (speaker: Dean of the Faculty of Design).
5. Summary of the results of the 2023-2024 first term I retake period in the I-V years of part-time undergraduate studies and I, II years of part-time graduate studies (speakers: Deans of the Faculties).

6. On the work done during the first semester of the 2023-2024 academic year in the direction of the professional orientation of the applicants to prepare them for the admission of the next academic year (speakers: Head of the Admission and Career Center).
7. Current issues.

№03 31.01.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2023-2024 first semester II retake period of the IV year of full-time undergraduate studies (speakers: Deans of Faculties).
3. Summary of the results of the 2023-2024 first semester examination period of the I-III years of full-time undergraduate, and I year of full-time graduate studies in “Environmental Design” academic programme (speakers: Deans of Faculties).
4. Summary of the results of the 2023-2024 first semester examination period of the I-IV years of part-time undergraduate, and I-II years of part-time graduate studies (speakers: Deans of Faculties).
5. Current issues.

№02 23.01.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of the 2023-2024 first semester I retake period of the IV year of full-time undergraduate studies (speakers: Deans of Faculties).
3. Current issues.

№01 09.01.2024

1. On the implementation of the instructions of the previous Rectorate session.
2. Summary of the results of Master’s thesis defense of full-time graduate students of 2023-2024 academic year in the “Hydrotechnical and Hydropower Structures”, “Geoinformation Systems”, “Roads, Bridges and Tunnels” academic programmes of “Civil Engineering” specialty, “Heat and Gas Supply and Ventilation” academic programme of the “Urban Economy” specialty, “Tourism” academic programme of “Tourism” specialty and “Informatics (Computer Science)” academic programme of “Informatics (Computer Science)” specialty (speakers: Deans of Faculties).
3. Summary of the results of the 2023-2024 first semester examination period of the IV year of full-time undergraduate studies (speakers: Deans of Faculties).
4. Summary of the results of the 2023-2024 first semester check-ups of I-III years of full-time undergraduate studies (speakers: Deans of Faculties).
5. Current issues.
